14 gross proceeds of sales or gross income derived from sales of machinery,
15 equipment, materials and other tangible personal property used directly and
16 predominantly to construct a qualified environmental technology
17 manufacturing, producing or processing facility as described in section

33 personal property and gross income from services.

34 H. If a person is engaged in the business of selling tangible personal
35 property at both wholesale and retail, the tax under this section applies
36 only to the gross proceeds of the sales made other than at wholesale if the

26 under the terms of the contract or subcontract.

36 L. The department shall require every person claiming a deduction
37 provided by subsection J or K of this section to file on forms prescribed by

5 solar energy devices available to the department for examination.

6 O. In computing the tax base in the case of the sale or transfer of
7 wireless telecommunications equipment as an inducement to a customer to enter
8 into or continue a contract for telecommunications services that are taxable
9 under section 42-5064, gross proceeds of sales or gross income does not
10 include any sales commissions or other compensation received by the retailer
11 as a result of the customer entering into or continuing a contract for the
12 telecommunications services.

13 P. For the purposes of this section, a sale of wireless
14 telecommunications equipment to a person who holds the equipment for sale or
15 transfer to a customer as an inducement to enter into or continue a contract
16 for telecommunications services that are taxable under section 42-5064 is
17 considered to be a sale for resale in the regular course of business.

19 numbers for telecommunications services, including sales of reauthorization
20 of a prepaid card or authorization number, are subject to tax under this
21 section.

30 S. If a seller is entitled to a deduction pursuant to subsection B,
31 paragraph 16, subdivision (b) of this section, the department may require the
32 purchaser to establish that the requirements of subsection B, paragraph 16,
33 subdivision (b) of this section have been satisfied. If the purchaser cannot
34 establish that the requirements of subsection B, paragraph 16, subdivision
35 (b) of this section have been satisfied, the purchaser is liable in an amount
36 equal to any tax, penalty and interest which the seller would have been
37 required to pay under article 1 of this chapter if the seller had not made a
38 deduction pursuant to subsection B, paragraph 16, subdivision (b) of this
39 section. Payment of the amount under this subsection exempts the purchaser
40 from liability for any tax imposed under article 4 of this chapter and
41 related to the tangible personal property purchased. The amount shall be
42 treated as transaction privilege tax to the purchaser and as tax revenues
43 collected from the seller to designate the distribution base pursuant to

11 corresponding use tax exemption to the tax imposed by article 1 of this
12 chapter and the rate of the tax in the purchaser's state of residence is
13 lower than the rate prescribed in article 1 of this chapter or if the
14 purchaser's state of residence does not impose an excise tax, and the
15 nonresident has secured a special ninety day nonresident registration permit
16 for the vehicle as prescribed by sections 28-2154 and 28-2154.01, there shall
17 be deducted from the tax base a portion of the gross proceeds or gross income
18 from the sale so that the amount of transaction privilege tax that is paid in
19 this state is equal to the excise tax that is imposed by the purchaser's
20 state of residence on the nonexempt sale or use of the motor vehicle.
