

Post Requisite Reading

Let me save you time And years of research To sum everything up Read these articles:

READ THESE!!!! One day they will be erased from the internet !!!! Save copies!!!!
I don't recall Some of the writers names On these Please forgive me My brain is full!

As you read them Understand that Just because someone knows what 'they' wrote about
They may not know The Whole Story Behind It! But they do all add up! Also realize that
Just because someone says That EXAPLE: 'This is what the Zionist Jews are doing' It
doesn't mean that these Or any Jews are "The Bad Guy" It's The Masters That Control
Everything Thru Lies! Categories are History, Science, Government, New World Order
Church and ALIENS Of course you won't find anything about Aliens being native to our
planet on the internet Or in any public books These researchers Along with their research
Are killed off Once 'that claim' is made Just like I'll be Once this hits The main stream
